Professional Experience

1 Year

AI TOOLS CORNER Part-Time | From Nov 2023 - Dec 2024

ON-PAGE SEO

- Optimized website content for target keywords, leading to improved search engine rankings and a 156% increase in traffic.
- Improved website architecture and internal linking structure to enhance crawlability and user experience, contributing to higher search rankings.

OFF-PAGE SEO

- Developed and executed a strategic link-building campaign, resulting in a significant increase in high-quality backlinks from 123 to 649 referring domains.
- Contributed to brand-building efforts through social media engagement and content promotion, indirectly supporting SEO performance.

TECHNICAL SEO

- Conducted a comprehensive technical SEO audit, identifying and resolving issues related to site speed, crawlability, indexability, and mobile-friendliness.
- Optimized website loading speed through image compression, code minification, and caching improvements, resulting in a better user experience and improved search rankings.
- Ensured website mobile-friendliness and responsiveness, addressing mobile usability issues and improving mobile search performance.
